**II.1. Purpose of the contract**

**II. JOB DESCRIPTION:**

Regions	Number of drivers
Centre	2
Littoral	3
Total	5

accordance with the table below:

As part of this operation, the Director General of the NIS issues a call for applications for the recruitment of **05 (five) drivers**, on fixed-term contracts, based in the Centre and Littoral regions, in accordance with the table below:

The Government and its development partners are considering, through the NIS, to update the data by conducting the Third General Census of Enterprises (RGE-3).

The General Census of Enterprises (RGE) is a national statistical operation earmarked as a priority action in the National Strategy for the Development of Statistics (NSDS 2015-2020). This tool provides detailed information on economic units (down to the smallest) operating on the national territory, thus contributing to the preparation and monitoring-evaluation of development policies on entrepreneurship (NDS30, sector strategies, etc.). Two editions have already been conducted, the first in 2009 (RGE-1) and the second in 2016 (RGE-2).
